Subject: Weight Limits on Town Roads

This notice is to inform you that all of our town roads will be posted effective Wednesday, March 14, 2018 for the spring season. The limit is posted at fifteen (15) tons. Please call Road Patrolman Darin Ripp at 608-279-5402 to discuss the best route for any deliveries on our town roads. You will need to lighten your load by 1/3 (gross maximum weight reduced by 1/3), put your tags down, take the shortest route to and from a county or state highway and use the center of the road, if possible to drive on.

To save postage and paper, if you could provide your email to:

janbarman@town.springfield.wi.us for future notices, it would be appreciated (computer crashed and need to rebuild it).

We will inform you as soon as the ban is lifted. We thank you in advance for your cooperation as we try to protect our investment. If you have any questions, please give us a call.

Thank you.
