OPEN BOOK and BOARD of REVIEW

The assessing firm of Associated Appraisal Consultants, Inc. has scheduled the Open Book for Tuesday, April 22nd from 3-5:00 p.m. and the Board of Review for Tuesday, May 13, 2014 from 6-8:00 p.m.

During Open Book the property owners may review their assessments, check for errors and compare assessments. If you feel you need to discuss the assessment with the assessor please schedule an appointment by calling Associated Appraisals at 1-800-721-4157. You can also check out their website at www.apraz.com under property search, click on Dane County, click on Town of Springfield, enter the required information to view your property.

The purpose of the Board of Review is to ensure that the assessment roll is fair and equitable for all property owners (real estate and personal property). The Board of Review is also responsible for identifying and correcting technical errors in local property assessments. The main function of the Board of Review is to hear objections to valuations which have not been resolved with the assessor. This formal process provides the first step in an appeal procedure if a property owner objects to the assessment on their property whether real estate or personal property. Objection forms need to be filed.

Contact the Town Clerk at the Town Hall, 849-7887 if you would like to make an appointment or to obtain forms for Board of Review or if you have any questions. More information is available at www.dor.wi.gov.

WILL I BE NOTIFIED IF THERE IS A CHANGE IN MY ASSESSMENT?

Whenever an assessor raises the assessment of any real estate property, the owner, if known must be notified, or else the occupant of the property is notified. The notice will be in writing and mailed at least 15 days prior to the Open Book Meeting. Failure to receive a notice does not affect the validity of the increased assessment. The notice requirement does not apply to personal property. If you feel the assessor is in error, please call at 1-800-721-4157 to meet with him during Open Book to understand how your valuation was determined. If you feel the assessor has made an error in the assessment and can't resolve the issue with the assessor at Open Book, you may file an objection form with the Board of Review. Objection forms are available from the Town Clerk at 849-7887.

A HUGE THANK YOU TO OUR SNOW PLOW DRIVERS WHO SERVED US WELL THIS WINTER!

Phew.....This is a winter to remember and not in a good way! We have used over 600 tons of material (salt/sand) on our roads this winter season; not to mention many, many hours of labor by some very dedicated plow drivers to keep the roads in good winter condition. These guys put in some very long days & nights in the worst of weather. Next time you see one of these drivers, please give them a BIG thank you.

Our thanks to Dave Barman, Ken Barman, Chuck Schaeffer and our one and only full time Road Patrolman Mark Grosse. Nice job guys! Enjoy the spring, summer and fall – you deserve it!

A Message from your Road Patrolman...

Thank you very much for your patience during the winter months as I and the other drivers strived to keep the roads clean and safe during the past few months. We sure appreciate those of you who do not push snow from your driveways out into the road and keep your cars in your driveway and not parked on the road. It all makes our job so much easier! There seems to be more plantings and dead trees in the road right-of-way that need be cleared out. For safety and visibility it's important to keep these areas clear, and against Town policy to be planting in the road right-of-way. Lastly, as summer construction crews are out working on all the roads remember to slow down in the marked areas. Please be considerate so we can get our work done as quickly and safely as possible. Thank you, Mark
